

As of March 2010  
**2010 LETTERS OF NO OBJECTION**  
East Baton Rouge Parish

<u>No.</u>	<u>Company</u>	<u>Station</u>	<u>Description</u>
10011902 (+11.0)	City of Baton Rouge Thru MWH Americas, Inc. Thru Ardaman & Associates	620+64	To drill two (2) soil borings in addition to the original request (#09092615) of four (4) soil borings. Borings will be drilled to a depth of 120' below the ground surface using a 4" drill bit and grouted upon completion as per LADOTD requirements.
10022216 (+11)	LSU School of Veterinary Med. Thru Tipton Associates	74+00	To construct a new Large Animal Disease Isolation Unit Building consisting of a single-story CMU and concrete building on a concrete slab on grade foundation. The site will be built up with approximately 2' of compacted fill so the bottom of the spread footings will be at the current finish grade. The only excavation will be for utilities.
10031536 (+11)	Riviere Casino & Hotel Thru Natural Resource Prof.	B/W 585+00 620+00	To construct the Riviere (Formerly Pinnacle) Casino facility, conduct a Phase III Cultural Resource Survey, and installation of a 50' landscape buffer. Construction of the casino facility involves clearing and grubbing the entire project area (8.1 acres), including removal of all trees; relocation of approximately one mile of River Road (La. Hwy. 327); construction of a basin contained within a T-Wall; construction of a floating casino secured with piles; construction of an access drive over the levee; construction of a hotel and above grade pond, connected to the casino with an elevated walkway; excavation of borrow pits to be used for fill; and construction of associated drives, parking and utility infrastructure. The Phase III Cultural Survey consists of excavation and backfilling at four (4) locations via mechanical and hand methods to depths up 3.3'.
