A photograph of a small, rustic wooden chapel. The building features a gabled roof with a large wooden cross mounted on the front-facing gable. Below the cross, a horizontal wooden sign reads "OUR LADY OF BLIND RIVER" in dark, block letters. The walls are covered in weathered wooden shingles. The entrance is a simple doorway with a glass door that has the chapel's name written on it. Two white columns support the overhanging eaves of the porch. The scene is set outdoors with trees and a blue sky in the background.
